

Study Guide For First Aid Practices

Topics and themes for project work on Disaster Management Class X

(To be forwarded to CBSE as internal assessment in Social Sciences)

Do any one of the following:

Project 1: Role of govt./Non-govt. functionaries in your locality in Disaster Management

Interview any two of the govt./Non-govt. functionaries in your locality on their role in Disaster Management

1. Senior District Magistrate
2. Additional District Magistrate
3. Sarpanch/MP/MLA
4. Head of any NGO working in your locality –dealing in disaster management
5. Police Inspector, Superintendent of police
6. Civil Defence Warden/elected representatives
7. Home Guard Personnel
8. NCC Commandant in the school
9. Deputy Commissioner of municipality
10. School Principal

OR

Carry out a survey in your locality by enquiring from atleast 20 persons from different walks of life in your locality or school on the areas in Disaster Management and preparedness plans developed by them.

Prepare a report on the areas where awareness is needed and find out the local resources available to create awareness.

Project 2-Manual for Disaster Management

Choose to be any authority on Disaster Management, such as a village Sarpanch, District Magistrate, Police Inspector or Fire Services Officer.

Formulate laws or rules to be followed in a disaster for the most vulnerable groups. Study the available precautions and Rules-Fire Safety.

Prepare a manual for your department's officials to follow in an emergency. It should include rules to follow for health, safety, relief availability and distribution, law and order etc. Make separate pages for each.

Project 3-Preparation of Models of Disaster Resilient Structures

Make layouts of models based on structural improvement in buildings in coastal areas prone to floods/cyclones or in areas prone to earthquake /landslides.

You can take help of the class X textbook on Disaster Management, support from qualified engineers who have knowledge on safe construction practices from either the government or private sector and also from academic institutions. Supplement an explanation stating the significance of such as construction pattern.

Project 4-Pocket guide on first Aid

Prepare a pocket guide on first aid for your school. The first aid pocket guide should contain aid that needs to be given for fractures, poisonings, cuts and burns, heat and cold wave and for other threats that are relevant in that area.

The content shared in the guide should be supported with adequate labeled diagrams so as to give a clear and elaborate understanding about the topic.

Project 5-Institutional Case Study on Disaster Response

Visit a local NGO/Agency like the United Nations, Red Cross/Voluntary youth organisations like Nehru Yuva Kendra (NYKS), National Cadet Corp (NCC), Bharat Scouts and Guides etc. and prepare a case study on how any one of the agencies played a major role in Disaster Response. Significance of their role, action plan, resource planning activities and experiences.
