

The Recorder From Zero: A Systematic Approach For Beginners On The Soprano Recorder

BASIC RECORDER FINGERING CHART

The chart displays two systems of musical notation and fingerings for the soprano recorder. The first system covers notes C through A, and the second system covers notes A through G. Each note is represented by a musical staff with a single note, followed by a diagram showing the fingerings for the left hand (LH) and right hand (RH). The LH diagrams use yellow circles to indicate which fingers are placed on the keys, and the RH diagrams use green circles to indicate which fingers are placed on the keys. The notes and their corresponding fingerings are as follows:
